

**Testimony of Antonio Mazzola**

**House District 105**

**March 13, 2022**

**H.B. 5416 AN ACT CONCERNING BULK PURCHASES OF PISTOLS AND REVOLVERS**

I am opposed to the restrictions that H.B. No. 5416 Session Year 2022 poses on the law abiding citizens of Connecticut. They are unnecessary and have a negative effect on our Second Amendment rights.

Restricting the sale of more than one pistol or revolver to the same person within a 30-day period will:

- Negatively impact the firearms businesses in our state
- Limit sport and recreational shooting
- Violate the rights of the law-abiding citizens of our state who wish to exercise our Second Amendment rights to bear arms to protect ourselves and our families

I ask that the committee not move forward with S.B. No. 16. Thank you for your consideration.
